

## Forex Trading for Beginners

Currency Trading = Forex = Foreign Exchange

What is Forex?

Currency exchange between one currency to another

CAD to GBP = 100 CAD to .5866 = 58.66GBP

End of trip

58.66 GBP -> CAD to 1.7065 = 100.10 CAD

---

100.10 - 100 = .10 gain
